SUMMARY

Enthusiastic aspiring Full Stack Developer with a solid foundation in HTML, CSS, and JavaScript. Passionate about creating responsive, user-friendly web applications and eager to expand knowledge in modern frontend and backend technologies. Quick learner with a strong interest in problem-solving and collaborative development.

WORK EXPERIENCE

Freelance Web Developer   **Sept 2023 - Present**

- Designed and developed responsive websites using HTML, CSS, and JavaScript for small businesses and personal projects.
- Created user-friendly layouts with clean, modern designs tailored to client needs.
- Ensured cross-browser compatibility and mobile responsiveness to improve user experience.
- Collaborated with clients to gather requirements and deliver solutions on time.
- Managed projects independently, gaining hands-on experience in problem-solving, communication, and client interaction.

Sample Projects   **Aug 2024**

- Portfolio Website – Designed and developed a personal portfolio site using HTML, CSS, and JavaScript to showcase projects and skills. Implemented responsive design for seamless viewing across devices.
- Business Landing Page – Built a modern, mobile-friendly landing page for a local business, improving their online presence with optimized layouts and call-to-action sections.
